

THE MELLOW SF · PRIVATE EXPERIENCES · SAN FRANCISCO

Mellow Experiences

Two private evenings in San Francisco, built for teams.

Mellow Nights

Lake House Jazz

WHY IT WORKS

A private evening does what an offsite agenda can't

01

Culture, not a conference room

A night out as a team, away from the office, with no agenda and no slides.

02

Easy to plan

We handle the space, the music and the bar. Fewer vendors to coordinate.

03

Places people talk about

A Haight Street venue and a boathouse in Golden Gate Park, both made for an occasion.

EXPERIENCE 01

Mellow Nights

Your team takes over our San Francisco venue for the night. We bring the bar and the music.

The venue

A private takeover for your group, after hours.

The bar

We take care of the alcohol. Choose an open bar, or a tap with a minimum consumption.

The music

The soundtrack for the night, handled by us.
